When will I receive assistance?

Cash and food assistance: We base eligibility for the cash and/or food assistance programs on the date we get your signed and dated application. Your eligibility for these programs is determined within 30 days from the date we receive your signed and dated application.

Medical assistance: We base eligibility for medical assistance on the date we get a signed and dated application. Your eligibility should be determined within 30 days unless you are claiming a disability. If you are claiming a disability, your eligibility should be determined within 90 days. We will also explore medical assistance for the 3 months before the month we get your application.

What if I need food right away?

If you need food assistance right away, and are not currently receiving it: Answer the questions on pages one and two of the application. You may qualify to get food assistance quicker.

Do I have to be a Citizen?

No. Please do not let fear of the U.S. Citizenship and Immigration Services (USCIS) keep you from seeking needed assistance for your family. Many immigrants can receive cash, food, and medical assistance. Also, alien emergency medical assistance is available without regard to your immigration status.

What other services are available?

You may be eligible to receive other services such as: Child care assistance, prenatal care, housing costs, work skills, and help getting a job. These services may require a separate application. Ask your caseworker about these services. If you need help with child care costs, contact your local CDJFS for a child care application.
